Mayer DWID
Mayer, AZ

I have compiled the accompanying statement of assets, liabilities, and equity—
income tax basis of Mayer DWID as of March 31, 2007 and the related statement
of revenues, expenses, and retained earnings, income tax basis for the 9 months
then ended. The financials have been prepared on the accounting basis used by
the Company for income tax purposes, which is a comprehensive basis of
accounting other than generally accepted accounting principles.

A compilation is limited to presenting in the form of financial statements
information that is the representation of the owners. I have not audited or
reviewed the accompanying financial statements and, accordingly, do not express
an opinion or any other form of assurance on them.

The owners have elected to omit substantially all of the disclosures ordinarily
included in financial statements prepared on the income tax basis of accounting. If
the omitted disclosures were included in the financial statements, they might
influence the user's conclusions about the Company's assets, liabilities, equity,
revenues, and expenses. Accordingly, these financial statements are not designed
for those who are not informed about such matters. I am not independent with
respect to the Company.
