Mayer D.W.I.D.  
Mayer, AZ

I have compiled the accompanying statement of assets, liabilities, and equity—  
income tax basis for Mayer D.W.I.D. as of September 30, 2011 and the related  
statement of revenues, expenses, and retained earnings, income tax basis for the 9  
months then ended. The financials have been prepared on the accounting basis  
used by the Company for income tax purposes, which is a comprehensive basis of  
accounting other than generally accepted accounting principles.

A compilation is limited to presenting in the form of financial statements  
information that is the representation of the owners. I have not audited or  
reviewed the accompanying financial statements and, accordingly, do not express  
an opinion or any other form of assurance on them.

The owners have elected to omit substantially all of the disclosures ordinarily  
included in financial statements prepared on the income tax basis of accounting. If  
the omitted disclosures were included in the financial statements, they might  
influence the user's conclusions about the Company's assets, liabilities, equity,  
revenues, and expenses. Accordingly, these financial statements are not designed  
for those who are not informed about such matters. I am not independent with  
respect to the Company.
