

MAYER DOMESTIC WATER IMPROVEMENT DISTRICT

RULES AND REGULATIONS

THESE RULES AND REGULATIONS of the Mayer Domestic Water Improvement District are effective as of the 2012, as approved and authorized by the Board of Directors.

ARTICLE I

DEFINITIONS; DEFINED TERMS

Section 1. The following defined terms are used in these Rules and Regulations and shall have the meanings assigned to them where referenced:

- A. Active Account.** Any billing account maintained by the Water District for a Water District customer that is currently paid up to date, and who is, by virtue of their payment, entitled to the minimum 1000 gallons of water.
- B. Authorized Water Service Connection.** The Water District's water lines and water delivery system to a Parcel that is constructed in compliance with these Rules and Regulations and for which an application for service has been approved. The Authorized Water Service Connection includes water delivery service and the pipes, valves and other equipment and installations required for such water delivery service.
- C. Board of Directors.** The Board of Directors shall have the meaning assigned to it in Article III, Section 1.
- D. Critical Water Condition.** A Critical Water Condition shall be determined by the Water Utility Operations Manager and shall include, but not be limited to, water supply conditions affected by drought, high fire threat and demand greater than the Water District's water production capability, and shall result in the water use restrictions set forth in Appendix A attached hereto and made a part hereof for all purposes.
