

NOTICE OF EMERGENCY PUBLIC SESSION AGENDA ITEM

The governing Board of the Mayer Domestic Water Improvement District met in public session on Thursday, July 10, 2003 at approximately 7:00 p.m. The meeting was held at the Mayer Water District Board Room at 13193 Central Avenue, Mayer, Arizona. An emergency agenda item was brought before the Board for discussion and action to deal with the imminent risk of water supply problems to the community by reason of the failure of the Grapevine Well #2 and the Terrell Well. The Board voted to address the failure of those wells in an emergency session in order to authorize the field operator to take immediate action to remedy said failure to prevent interruption of services to District residents.
